THE PROPHETIC VOICE OF THE CHURCH

After the communists defeated the Croatian army in the spring of 1945, they started off with a severe rebellion of the most freighting kind which attacked the shepherds of the Church. In the months that followed, more than 600 priests, monks, nuns, and seminarians were killed in all the territories where Croatian people lived. In autumn of that same year, all the Catholic bishops wrote an open letter in which they spoke of everything that the Church experienced in that fatal year of 1945. The bishop that first signed the letter was Blessed Cardinal Stepinac. In their Pastoral Letter, Catholic bishops clearly sided with life, truth, and justice, even though they knew it would cost them greatly.

In today's Gospel, we hear that Jesus is being rejected by His fellow countrymen, we even hear how they want to kill Him, because they cannot accept the truthfulness of His words. In the last few days we are all witnesses to the horrifying decision that the lawmakers of New York have made, according to which children can be murdered in their mother's womb until the moment of their birth. In all the confusion and turmoil that has emerged after this decision, it seems that all that remains is the voice of the Church which prophetically calls us to conversion and changing the values in our lives. Jesus said: "They persecuted me - and they will persecute you!". It seems that these last few days we are once again painfully experiencing the words of Jesus. We are comforted by this extraordinary reality: all those that are persecuted by the world are on the right side; God's side.

PROROČKI GLAS CRKVE

Nakon što su u proljeće godine 1945. komunisti porazili hrvatsku vojsku, krenuli su sa teškom odmazdom koja se najstrašnije obrušila na pastire Crkve. Tih mjeseci ubijeno je više od 600 svećenika, redovnika, časnih sestara i bogoslova u svim krajevima gdje je hrvatski narod živio. U jesen te iste godine svi katolički biskupi napisali su otvoreno pismo u kojemu su progovorili o svemu što je Crkva proživljavala te kobne 1945. Prvopotpisani biskup bio je blaženi Kardinal Stepinac. U svome *Pastirskome pismu* katolički su se biskupi jasno odredili na stranu života, istine i pravednosti, makar su znali da će ih to skupo koštati.

U današnjemu evanđelju slušamo kako Isusa njegovi vlastiti sugrađani odbacuju, kako ga čak žele ubiti, jer ne mogu prihvatiti istinitost onih njegovih riječi. Ovih dana svi smo svjedoci strašne odluke saveznih vlasti u državi New York, prema kojoj djeca mogu biti ubijana u majčinoj utrobi sve do trenutka rođenja. I u cijeloj ovoj zbrci i nemiru koji je nastao nakon ove odluke, čini se da je ostao samo glas Crkve koji proročki poziva na obraćenje i promjenu životnih vrijednosti. Isus je pak kazao: "*Mene su progonili - i vas će progoniti!*" Čini se kako ovih dana tako bolno opet iznova proživljavamo ove Isusove riječi. Ali tješi nas ova neobična stvarnost: svi oni koje svijet progoni na pravoj su strani, na strani Božjoj.

LITURGICAL CORNER LITURGIJSKI KUTAK

Let us repeat few important things for our experience of the Holy Mass:

1. Prepare your heart for the encounter with our Lord.
2. Be at the church on time and keep the silence while in the church.
3. Silent your cell-phone and refrain from chewing a gum.
4. Receive Holy Communion properly: on your tongue, or on your hand, putting one hand down and put the other hand on top of it and make a kind of throne for the Lord.

BLAGOSLOV GRLA I BLAGOSLOV SVIJEĆA

Ovaj vikend slavimo dva blagdana: *Svijećnicu* - Blagdan Prikazanja Gospodinova u hramu i blagdan sv. Blaža (Vlaha). Na osobit način sv. Vlahu slavi Klub Dubrovčana kojima čestitamo njihovu Festu. Pod svim svetim misama ovoga vikenda imati ćemo tradicionalni blagoslov grla i blagoslov svijećā.

BLAGOSLOV KUĆA I OBITELJI

I ovoga smo tjedna nastavili sa blagoslovom obitelji. Do početka korizme nadamo se završiti sve. Neka područja već smo završili, u neka se tek spremamo doći. Velika hvala našim vodičima koji nam pomažu u organizaciji ovih posjeta.

Blagoslov kuća je uistinu radostan susret naš svećenika sa našim vjernicima.

2. Marija Tokić

*Neka Bog blagoslovi njih, njihove
roditelje, obitelji i kumove.*

Shared from a New York priest's Facebook Page:

“New York State passes a law that allows killing of unborn humans up to birth. New Jersey plans to introduce a bill that protects pregnant cows from being slaughtered. And I'm supposed to sit quietly as if nothing is happening in this demented world. Never!”

ZRNCA MUDROSTI

Kada su godine 1796. Francuske snage predvođene Napoleonom osvojile Rim, Napoleon je zarobio tadašnjeg papu Pija VI. jer se Sveti Otac protivio načinu kako se Francuska Revolucija odnosila prema vjeri. U to vrijeme brojnim su francuskim biskupima, svećenicima i časnim sestrama odrubljene glave jer su božbožničke snage njih smatrali krivima za nepravedni društveni sustav. Jednom prilikom Napoleon je tako zaprijetio utamničenom papi, kazavši mu:

- *Da znadeš da ću ja uništiti tvoju Crkvu!*
- *Glupi dječaće, kad je biskupi i svećenici nisu uništili svih ovih godina, nećeš ni ti - odgovorio je mudri papa.*
