First Sunday of LENT

March 10, 2019

From Fr. Antonio's desk

A TIME OF TRIALS AND TEMPTATIONS

At the beginning of Lent, we read that the Spirit of God sent Jesus Christ into the desert. The Spirit of God leads Jesus Christ into silence and seclusion, because God knows very well that everything that is valuable is worthy of planning. Even though the Spirit of God lead Jesus into the desert, there was no peace there, but Jesus, although God, had to meet his enemy - Satan, who had come to tempt him. It seems to me that this passage reveals several miraculously powerful messages at the beginning of this Lenten season.

First, even though many can laugh at us, we Christians must know that Satan truly does exist. That he is God's and man's enemy; whose wish is to destroy all the good in the world. Furthermore, Satan is very successful in concealing his plans. Someone once said that Satan isn't scary and isn't ugly, because if he was people would run from him. On the contrary, at first, he seems sweet and cuddly, and only later does he show his true face.

On the other hand, we are protected by the forces of the Spirit of the Defender. That is the same authority that lead Jesus into the desert to test His will and prepare Him for encountering temptation. That is the difference between the Spirit of God and Satan: The Spirit of God tests us to make us stronger, making sure we don't get lost, while Satan tempts us to ruin us. So, during this Lent let us walk in the Spirit of God. As we walk through our own deserts let us not be defeated by the traps and seductions of Satan who is waiting to ruin us, rather let the strength of the Spirit of God lead us through all our trials into the freedom of being children of God.

VRIJEME KUŠNJI I NAPASTI

Na početku korizme čitamo da je Duh Božji Isusa odveo u pustinju. Duh Božji Isusa odvodi u tišinu i osamu, jer Bog jako dobro znade da se za sve ono što je vrijedno valja spremati. No, iako je Duh Božji Isusa odveo u pustinju, ondje ga nije dočekaao mir, nego se Isus, iako Bog, morao susresti sa svojim neprijateljem - Sotonom, koji ga je došao napastovati. Čini mi se da nam ovaj tekst otkriva nekoliko čudesno snažnih poruka na početku ovoga korizmenoga vremena.

Najprije, iako nam se mnogo mogu smijati, mi kršćani moramo znati da Sotona uistinu postoji. Da je on Božji i ljudski neprijatelj čija je želja uništiti sve dobro u svijetu. Nadalje, Sotona je vrlo uspješan u prikrivanju svojih planova. Netko je jako dobro kazao da Sotona nije ni strašan ni ružan, jer da je takav ljudi bi od njega bježali. Naprotiv, na prvu on je sladak i umiljat, a svoje pravo lice pokaže tek poslije.

S druge strane, nas štiti sila Duha Branitelja. To je ona ista sila koja je Isusa odvela u pustinju kako bi ga iskušala i pripremila za susret s napašću. To je i razlika između Božjega Duha i Sotone: Božji Duh nas iskušava kako bi nas ojačao, pazeći uvijek da ne zalutamo, a Sotona nas napastuje kako bi nas upropastio. Hodimo zato kroz ovu korizmu u snazi Božjega Duha. Neka nas u našoj pustinji ne poraze varke i zavodljivosti Sotone koji čeka da nas upropasti, nego neka nas snaga Božjega Duha vodi kroz sve kušnje u slobodu djece Božje.
